## Himalayan Salt Shop Natural Shape Salt Crystal Review & Give-Away!!! {Give-Away Ended}

I recently received a [small natural shape salt crystal lamp from the Himalayan Salt Shop](#) to review. If you are not a fan of natural crystal salt lamps you should read the information below:

- These lamps are made of natural **crystal salt** mined from underground salt mines in the foothills of the Himalayas
- The beautiful orange-reddish Himalayan crystal salt is mounted on a wooden base
- This **crystal salt** is hundreds of millions of years old and, as a result, has special properties and high mineral content
- Heat from the bulb (in our lamps) or flame (in our candle holders) causes the salt to emit **negative ions**
- These **negative ions** bond with the pollutants in the air (positive ions) and neutralize them
- Also, the newly bonded **ions** become heavier and fall to the ground removing them from the air circulation
- In addition, these **negative ions** combat **electro-smog** caused by electronic devices operating in the home
- Symptoms from asthma, allergies, and other illnesses can also subside from the effects of these products
- Concisely, these products cleanse the air naturally and are extremely beautiful

I could not wait to unwrap my lamp and get it set up. It is so pretty and very relaxing to look at. I love that it cleans the air to keep this one on my bed side table. During the summer my allergies are really acting up and I am hoping that it will improve those symptoms especially while I sleep. It gives off a soft glow that is very relaxing as well and is nice to have in the bedroom. I am going to order a larger one for the family room. Before long I will probably have them in all the rooms. These are natural products that help us live better and cleaner. For lots of information about Himalayan Salt Lamps click [here](#) to visit their website at [www.himalayansaltshop.com](http://www.himalayansaltshop.com).

So do you think these lamps are cool? If you do, then you will be thrilled to know that [The Himalayan Salt Shop](#) give-away on Mommy Ramblings.
